Your  
Impact**

# Saltus Alumni Make a Match.

Right now, every dollar you donate to the Alumni Scholarship Fund will be **doubled**.

It was the generosity of Saltus alumni that established the fund in 2018, and that spirit of giving back continues with this new challenge to fellow grads. Like you, the current students at Saltus are aspiring to do great things with their lives. There are so many highly gifted young people who would benefit from the unique education and community that Saltus offers. This Fund can be the key that unlocks those bright futures.

That's why your gift, no matter the size, will make a real difference in a child's life. And now, with the Saltus Match challenge, **every dollar will be doubled up to \$200,000**.

The top right photo shows a male staff member standing next to a female student. The bottom left photo shows a male staff member carrying a young boy on his shoulders. The bottom right photo shows a female student smiling.

But there is no doubt that the cost of providing this superior education is a challenge. The difference for this family was the generosity of the Saltus community. Imagine the difference we could make for so many more families by expanding our financial aid capacity.

# Saltus is Evolving.

We are changing to meet the complex needs of students today. Saltus is strengthening its programme at every level to provide the relevant experiences that are requirements for a very different future of work. That includes diversifying our student body and inviting a multitude of perspectives to enrich the conversation.

With your help, we can continue expanding our ability to bring students into our community who will not only benefit themselves, but will add immeasurably to the quality of the experience for everyone.

Let's not make financial capacity the barrier to entry. Join us in this quest to bring more deserving students to Saltus and unleash their full potential.
